

State Council Report - March 2019

As always, State Council was full of high energy and excitement. We had our state elections for CTA Executive Board and some Directors

CTA - President = Toby Boyd

CTA - Vice - President = David Goldberg

CTA - Secretary - Treasurer = Leslie Littleman

What these elections, there were lots of positive speeches, great posters, and strong debates for the best candidate. In June we will be electing or reelecting Directors for several areas.

CTA's talking points for the Charter Bills

Charter School Bills will bring "Transparency and Accountability", Restore Local Control, and Address Local Impact.

Please keep your focus on the following Bills, SB 126, AB1505, AB1506, AB1507 and AB 1508. All of these Bills will add move control over the Charters.

May will bring two great events for our members to participate in.

May 1st. Countywide Teachers Action Day - Wear Red!
(Santa Rosa Old Courthouse Square 4 - 6 pm)

May 22 - Lobby Day in Sacramento - This is the day to rally at the capital and visit with your local politicians.

Please visit www.cta.com for more info.

Respectfully Submitted - Ola King-Claye - State Council Senior Member
