

Middle School Concerns

Oct. 9, 2018	Issues, comments, concerns	response/follow up
HSMS	Concern over the placement on the salary schedule by	Need to first talk to principal
HCMS	a/c cannot be controlled by teacher Kathy Shanklin	Notify principal and wrote 3 letters to maintenance
RVMS	Concern by science teachers who have more that 165 students and over 33 students (3 teachers requested overages, one was given, the others were rejected by DO	Discussion with union and DO. DO says you only get overage for one of the overages.
SRMS	Concern by teacher over mold growing and standing water in classroom. Also no heat. Leaky roofs and drains not working.	Teacher needs to inform principal and request a work order
HSMS	Concern by teacher about a broken window with a paint can. Burglary. Teacher lost computer and tower. Police report made.No alarm sound. Repeated break in events by HCMS, SRMS.	Need to ask principal does the alarm system work and are there cameras working on campuses.
HSMS	Concern by RSP teacher who has a parent who is coming to the class every day to check out the teacher. Talked to principal. Teacher has an admin also swapping in with parent. What can be done to prevent the parent from coming in or changing teachers.	Parent in everyday needs permission to come in. She will need to be fingerprinted. Parent has refused to sign IEP. Need to follow discussion to principal.
LCMS	Some classes still have overages. DO is dropping an open SPED position and closing it without hiring anyone. 4 classes have substitutes only. 2 classes will be joined into 1. Gen ed teacher will be doing 1SE class. Or possibly redistribute these students somewhere.	Waiting for 1st quarter to end and see how the district deals with the lack of teachers.
