

Organization Report

DATE: 10/25/17

COMMITTEE CHAIR: Tawni Johnson

INFORMATIONAL ITEMS:

There needs to be both Long term Organizing and Crisis Organizing.

We have two crises at the moment.

- Negotiations Crisis will be driven by survey results.
- Firestorm crisis - We had planned a whole member event for October in our member engagement. It has been suggested that we do a whole member event and also give some kind of funding to each site to get together.

Long term organizing - Our goal is to create a high participation local. We were going to use the Seattle Educators model to go into low participation sites and have conversations there. We need to adjust our timelines and look at our plan again.

Conferences - We wrote grants for CTA conferences. I suggest we focus on getting a team to the Issues Conference.

Labor Notes Conference - We have money for 10 Exec Board members to go to the Labor Notes Conference In April.

Exec Board retreat - Dates have been chosen. What do you want from the venue?
