

SRTA Vision & Goals 2018-19

Santa Rosa Teachers Association Works Together to Win Life-Altering Improvements to our Learning and Working Conditions to Make Santa Rosa City Schools a Destination District for Students and Staff.

SRTA will:

- Keep students at the center of what we do by building relationships with educators, parents, and the community;
 - Support student success by increasing educators' power to co-determine our District's academic, operational, and financial decisions;
 - Attract and retain the highest quality educators for our students by winning fair total compensation and fair working conditions;
 - Ensure safe and secure campuses for students and staff;
 - Assert student and educator rights under the contract, District policies, and the law;
 - Improve student success by creating member-driven professional development and supporting early career educators; and
 - Respect and promote equity for *all* students, educators, and our community.
